

Paul Chan Professional Corporation
Chartered Professional Accountants

Your Tax Saviour

For more than two decades, Paul Chan Professional Corporation has been serving clients with tax, accounting and business consulting needs.

With professional experiences working in the "Big Four Firms" and as former Canada Revenue Agency tax auditor, our partners have accumulatively over 55 years of experience in Tax and preparation/audit of public listed companies' financial statements.

Changing government taxation rules and policies can be difficult for many business owners, with our **deep expertise** in this area, we enable you to focus on your business while keeping up with the rules and policies for you.

We work personally with each client to ensure that you get the highest quality of advice and that more of your hard-earned dollars stay where they should - in your bank account.
